

Ma-Mow-We-Tak & Canadian Challenge International Mushing Symposium: May 22-24, 2015

April 2nd, 2015

Greetings,

After many years of talking about it, we have finally decided to put words into action. Sponsored by Ma- Mow-We-Tak, the Canadian Challenge Sled Dog Race, and organized by Akela's Den Sled Dog Supplies – with a lot of help from Anna Bolvin, we are putting on a mushing symposium with a trade fair; in Prince Albert, Saskatchewan, Canada. Many of you have been loyal advertisers on the Ma-Mow-We-Tak website and this year we are offering you something more. We would like to invite you to acquire a space during our symposium and trade fair. This is a great opportunity that may not come along often!

We have attached the trade fair form, along with additional information on the symposium. Please return the completed form with your payment, to the address listed below, to reserve your space.

If you have any questions or suggestions, please feel free to send us an email at info@sleddogsupplies.ca or, call us at 306-982-2046 (after April 24).

Hope to hear back from you soon!

Stefaan and Tanja De Marie-Tabel
Akela's Den Sled Dog Supplies

Ma-Mow-We-Tak & Canadian Challenge International Mushing Symposium: May 22-24, 2015

Booth Information:

- Location: Parkland Hall; Southwest corner of 15th Street West & 9th Ave. West, Prince Albert, Sask.
- Your space size is roughly 100 square feet, with one 8 foot table and 2 chairs. For an additional fee we can offer you a larger space and extra table.
- Included in the fee (\$150), is a free pass to the symposium and a great way to finally meet some of your customers and attract new ones!
- Setup can start Friday, May 22nd from 4-8pm. Please make sure your booth is set up that day, so we have no interruptions on Saturday morning. Everything will happen in one hall, so the booths will be closed during the talks. There will be lots of opportunity to connect with the mushers (please check the symposium's itinerary for opening hours for your booth). We also have a large parking lot outside, if some of you want to show off your products there.
- It would be very much appreciated if you could donate some product(s) for an auction during the symposium (more about this after registration).
- The symposium will finish, Sunday, May 24th at 2pm. So please refrain from closing down before that time, unless we have discussed otherwise before the symposium. Often people wait until the last moment to buy stuff!
- The last day for booking a space is May 18, 2015, however, the sooner we get your registration the sooner we can advertise your presence on the website!
